ARBITRATION. Arbitration is a means for legal matters between parties to be resolved by a neutral arbitrator rather than a Court. We have a policy of arbitrating all claims, demands, and disputes which cannot be resolved in a small claims tribunal, including the scope and validity of this arbitration provision and any right you may have to participate in an alleged class action (hereinafter “dispute(s)”). All customer agreements contain another arbitration provision that supersedes this arbitration provision and governs the resolution of disputes. However, if you do not enter into a customer agreement with us, then this arbitration provision governs the resolution of disputes. The Federal Arbitration Act governs this arbitration provision. If any party has a dispute, they must notify the others in writing of the dispute. You have the right to select either of the following arbitration organizations, which will govern the arbitration under its consumer rules: American Arbitration Association <http://www.adr.org> or JAMS <http://www.jamsadr.com>, and we will advance all of the expenses associated with the arbitration, including the filing, administrative, hearing, and arbitrator’s fees. You will be responsible for your attorney’s fees, if any. Any appeal of a judgment from a small claims tribunal shall be resolved by binding arbitration. **The arbitrator shall not conduct class arbitration.** The arbitration hearing will be conducted in the county in which this Customer Application was signed. If the arbitration associations listed above are not available and the parties cannot otherwise agree on a substitute, then any party may petition a court pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. sections 1-16 to select an arbitration organization, provided such arbitration organization shall enforce the terms of this Customer Application and the Arbitration Provision, including the prohibition on class arbitration.
